How do I go about transfer?  
Am I able to do it at this point  
of the season?

Go onto your profile on Bafa.

On your profile right side  
where it says team you'll see a  
purple box. On that 3 dots.  
Click on that and transfer  
option. Then select new club  
and put falcons.

Okay thanks. How long does it  
take to go through? Also I  
have outstanding subs so ill  
have to get that paid before  
won't I?

I can add it to your subs.

So is it over 12 months

So you'd pay £20 per month.

Yes

Yeh that would be great

So send Bruce a message and see what he says.

Shall I send the transfer before I speak to him?

And how long does it take would I be eligible for our game in 2 weeks

If you do it now yes.
